Mr. Ronald Whyte
Schoolhill Hydraulic Engineering Co. Ltd.
Greenbank Place
Tullos, Aberdeen AB9 2JJ
SCOTLAND

18th October, 1993

Dear Ron,

I would like to thank you for the outstanding quality of the Schoolhill Hoop Driver. Kelvin Cooperage has had this machine for 18 years and we have had nothing but great service from it. The machine has consistently proven itself to be the best cooper in the shop.

Yours sincerely,

Edward McLaughlin
President
